London July 30th 1867.

Dear Sir.

202 Mr. Walker is out of town and does not purpose returning until about the 12th of next month.

His address, for the present, is Herald Office, Northampton, whither I have forwarded your note.

Allow me to express on my own part my congratulations on your victory in America, and on the altered feeling in England to which your reception testifies

Faithfully yours
 W. L. Garrison, Esq. Frank H. Hill.
